## DEPARTMENT OF THE INTERIOR

### Bureau of Indian Affairs

#### 25 CFR Part 61

RIN 1076-AD89

#### Preparation of Rolls of Indians

**AGENCY:** Bureau of Indian Affairs, Interior.

**ACTION:** Final rule.

**SUMMARY:** The Bureau of Indian Affairs is amending its regulations governing the compilation of rolls of Indians in order to reopen the enrollment application process for the Sisseton and Wahpeton Mississippi Sioux Tribe. The amendment reopens the enrollment period to comply with a directive of the Eighth Circuit Court of Appeals, and to modify the standards used to verify Sisseton and Wahpeton Mississippi Sioux Tribe ancestry.

**DATES:** This rule becomes effective on May 24, 1999.

**FOR FURTHER INFORMATION CONTACT:** Daisy West, 202-208-2475.

**SUPPLEMENTARY INFORMATION:**

#### Background

The Bureau of Indian Affairs must reopen the enrollment application process authorized under 25 U.S.C. 1300d-3(b) to give individuals another opportunity to file applications to share in the Sisseton and Wahpeton Mississippi Sioux judgment fund distribution. The Eighth Circuit Court of Appeals decision in *Loudner v. U.S.*, 108 F. 3d 896 (8th Cir. 1997), held that the Bureau of Indian Affairs did not give proper notice of the application period, and that 5 months was not a sufficient time period within which to file applications, in light of the long delay in distribution of the fund.

This rule reopens the enrollment period to allow adequate time for eligible persons to enroll. It also identifies the specific rolls that we will use to verify Sisseton and Wahpeton Mississippi Sioux Tribe ancestry as required by subsection 7(c) of Pub. L. 105-387.

On July 8, 1998, the Bureau of Indian Affairs (BIA) published a proposed amendment to 25 CFR Part 61 in the **Federal Register** at 63 FR 36866. Since then, three things have happened:

(1) On November 13, 1998, Congress amended the Act of October 25, 1972, Pub. L. 555, 86 Stat. 1168, to include a provision concerning verification of Sisseton and Wahpeton Mississippi Sioux Tribe ancestry.

(2) BIA held a meeting in Sioux Falls, South Dakota with a group of approximately 30 Sisseton and Wahpeton Mississippi Sioux lineal descendants and others to discuss the proposed rule that was published on July 8, 1998.

(3) We have received two public comments on the proposed rule.

In light of these three occurrences, we have made several changes to the provisions that we published in the proposed rule. We have explained these changes in the section of this preamble titled "Changes to the Proposed Rule."

#### Review of Public Comments

We received written comments from two individuals. Those comments and our responses are as follows:

1. *Comment:* We take issue with the timing proposed for establishing the application deadline date and object to steps two and three as set forth under the provisions of "Application Deadline". Due to the court proceedings in the *Loudner* case, there has already been a great deal of publicity, correspondence, newspaper articles, and published summaries about the rights of lineal descendants since October 1994. There have also been at least three public meetings at the Crow Creek and Yankton Sioux Reservations in South Dakota. For that reason, the lineal descendants who would be entitled to share in the judgment fund distribution already know that judgment funds are available and that they can apply for them. The application period should be set for a fixed period of 60 days.

*Response:* While there has been publicity in North and South Dakota about the reopening of this enrollment period, there has been little if any publicity about this in other parts of the United States. A flexible application period will allow us to continue accepting applications until the application review process is almost complete without significantly affecting the time required to complete the review process. It will also give the lineal descendants who live away from the Sioux Indian reservations the maximum opportunity to file applications. As mentioned elsewhere in this preamble, we are reducing the number of days specified in step one of the application process from 180 days to 90 days because of the number of

applications already on file with the Aberdeen Area Office.

2. *Comment:* If the Bureau of Indian Affairs cannot process the applications within 90 days, the rule should either allow the Federal Court to conduct the review or enable the Secretary to retain an independent commercial agency to do the review.

*Response:* The approximately 3,000 applications that we have received are mostly undocumented. They do not include copies of birth certificates, marriage certificates, proof of paternity, or, if deceased, death certificates. The applications also do not include family history charts that show each generation between the applicant and an ancestor named on the Sisseton and Wahpeton Mississippi Sioux Tribe rolls specified under 25 U.S.C. 1300d-26(c). If we were to limit the review process to 90 days, we would have to deny most of the applications because they don't include these documents. We would prefer not to do this because most of the applicants are probably Sisseton and Wahpeton Mississippi Sioux lineal descendants. By extending the review process we will have time to review each application and ask the applicant for any information that we cannot find in our records.

We also do not think it is feasible for us to "allow the Federal Court to conduct the review" under federal regulations. If the court were to assume jurisdiction of the review, it would probably still leave the review process with us. We would be required to submit several thousand recommendations to the court for determination. Each determination would then be subject to appeal.

If the review is conducted by the Bureau of Indian Affairs, an independent contractor, or under the supervision of the court, the same problem remains—insufficient documentation to verify the applicant's ancestry. If an applicant's ancestry cannot be sufficiently documented, then the application must be denied under 25 U.S.C. 1300d-26(c).

As we've already explained, a 90-day limitation on the review process would force us to deny the many applications that do not include proof of Sisseton and Wahpeton Mississippi Sioux ancestry.

#### Changes to the Proposed Rule

As a result of the new legislation, we have made the following changes to the rule:

(1) We have added new criteria relating to ancestry in § 61.4(s)(1)(i)(A)–(B). These new criteria replace the

criterion in § 61.4(s)(1)(iv) of the proposed rule.

(2) We have added new names to the list in § 61.4(s)(1)(v). This list was in § 61.4(s)(1)(iv) of the proposed rule.

As a result of the public meeting and comments, we have changed the procedure that we will use to calculate the deadline for receiving applications. Specifically, we have reduced the number of days that we will use in step one of this procedure from 180 to 90. (We have explained the procedure we will use to calculate the application deadline in the section of this preamble titled "Application Deadline.") We have made this change because approximately 3,000 individuals have already contacted the BIA Aberdeen Area Office concerning the reopening of the Sisseton and Wahpeton Mississippi Sioux enrollment application process.

#### **Application Deadline**

We have not established a firm application deadline in this rule. In order to allow adequate time for submitting and processing applications we will establish a deadline using the following three steps:

Step 1. On August 23, 1999, we will count all applications that we have received.

Step 2. We will note the date on which we complete processing of 90 percent of the applications that we receive by August 23, 1999.

Step 3. The application deadline will be 90 days after the date in Step 2.

For example, if we receive 10 applications by August 23, 1999, the final application deadline date will be 90 days after we process 9 applications. Similarly, if we receive 10,000 applications by August 23, 1999, the final application deadline date will be 90 days after we process 9,000 applications.

After we establish the application deadline, we will notify the same area directors, agency superintendents, and local newspapers that we notify after publishing this rule. (See the section in this preamble titled "Additional Notice and Public Meetings.") Our notification will include application/enrollment criteria.

#### **Additional Notice and Public Meetings**

We will take several steps to ensure that all potential applicants are informed of the reopening of the enrollment application period.

(1) We will notify all BIA Area Directors and Agency Superintendents and require them to post notices in area offices, agency offices, community centers on and near reservations, and in Indian Health Clinics.

(2) We will notify tribal newspapers and newspapers of general circulation in major communities in Montana, North Dakota, South Dakota, Nebraska, and Minnesota.

(3) We will hold community meetings on Indian reservations identified from the 1909 roll, including: Cheyenne River, Crow Creek, Upper Sioux, Sisseton-Wahpeton, Spirit Lake, Fort Peck, Standing Rock, Lower Brule, Yankton, Rosebud, and Pine Ridge.

At each of the community meetings we will:

(1) Inform potential beneficiaries of the reopening of the enrollment process for this judgment fund;

(2) Inform potential beneficiaries of eligibility criteria; and

(3) Help applicants to prepare and file applications.

#### **Previously Submitted Applications**

We have on file applications submitted under § 61.4(s) that we denied because we received them after November 1, 1973. We will now process these applications. If you previously filed an application that we denied, you may wish to confirm that we have it and are processing it. To do this, please call the Aberdeen Area Tribal Enrollment Office at (605) 226-7376.
